**Cummings Comments**

While lying in the hospital trying to recover from this COVID, I have had a lot of time to think about a lot of past sermons, and lessons that I have taught concerning our responses to the things that most people (both in and out of Christ) suffer. I knew those words were true because they were principles derived from God's Word. When I lost my wife of over 55 years, those words brought comfort. Now I find myself preaching those same sermons again to myself. Only now, I started remembering them as I was possibly within one heartbeat from entering eternity. Ironically, the sermon I prepared to preach to my family at West Freeway, the next time I would be asked to preach, is the one I kept remembering. It gave me so much comfort, because I know Our Father and his Son owe me nothing, because I truly am a vile sinner who deserves nothing less than eternity in hell...yet they decided to rescue me, not because I deserve it, but because their grace is larger than my sin. If it's God's will, I will be able to share that sermon with you in a few weeks. If not, because God's wanting me to come home, I will be shouting His praises in His Presence.

## West Freeway Church of Christ

*A place you and your family can call home!*

Jimmy Hargrove gave me some of these cards about a year ago when he stopped by my office to hand deliver a thank you card! Those cards mean a lot to me. Every once in a while, I open my office drawer and I am reminded that Life Is Awesome! I needed that reminder this week. Does life throw us curveballs? You don't need to answer that. Is life challenging, difficult, sad, and depleting? Our circumstances can very well be these things! But Life is Awesome! Jesus valued our lives so much He laid down His own so that we might have life, and have it more abundantly – John10:10. How do we live an abundant life? I believe one way is to renew our minds every day so that we can keep our focus on Him. We can do this through meditating on scriptures, prayer, fasting, listening, praising God in song, reflecting on what He has done, and is doing, encouraging others, and by sharing the gospel, which means "Good News". The book of Romans tells us to be transformed by the renewing of our minds, and by letting God change the way we think. We have to let go of our old life and the pattern of sin that entangles us, and follow our Lord by obeying His commands, and by observing His overflowing grace in our lives. Every life is important to God, and should be important to us! Life is too important not to share the good news with our coworkers, neighbors, strangers, friends, and family. Your life matters, and is needed here at West Freeway to build up God's kingdom! How is Jesus Christ changing your life and those around you? One way Jesus has changed me, (when I let Him) is to have His peace. Holding on to worries and struggles do not help me, or you. What can God do with each of our lives that are masterpieces, prepared to do good works (Ephesians, 2:10)? The thief comes to destroy, kill, and take away, but He came so that we can have life.... Don't fall for any imitation. Renew, Recommit, and live Redeemed. Life Is Awesome! PASS IT ON.

**In Him,  
Brandon**
