Why I Quit Attending Professional Football Games

1. The coach never came to visit me.
 2. Every time I went, they asked me for money.
 3. The people sitting in my row didn't seem very friendly.
 4. The seats were very hard.
 5. The referees made some decisions I didn't agree with.
 6. I was sitting with hypocrites who only came to see what others were wearing.
 7. Some games went into overtime, and I was late getting home.
 8. There was music that I had never heard before.
 9. The games are scheduled on my only day to sleep in and run errands.
 10. My parents took me to too many games when I was growing up.
 11. I've read a book or two on sports, so I probably know more than the coaches, anyway.
 12. I don't want to take my children because I want them to choose for themselves what sport they like best.
- Enough said?
