## On the Way Home

The Griper family were on their way home from a rare visit to worship services. Everyone had something to say. Daddy Griper commented on the "West Texas" nature of the sermon – flat, windy and boring. Momma Griper concentrated her abuse on the song service, believing that no church mouse could have endured the racket. Sissy Griper expressed her opinion that if the closing prayer had lasted any longer that it could have been continued face-to-face with the Lord and His Second Coming. Little Bubba Griper, though, had enjoyed the rare treat immensely. "Daddy," he said. "I thought we all got a pretty good show for a dollar!"

Perhaps the Gripers would have found more to appreciate in worshiping their Creator if they had invested more in it. Like the teenager that abuses the car that was a gift, but gives the jacket he purchased with his own money special care, sacrifice brings appreciation. King David understood the essence of true worship when he refused to offer in sacrifice that which cost him nothing (2 Samuel 24:24). That Jesus loves His church is beyond doubt, for He bought it with His blood (Acts 20:28). It is little wonder that many have greater dedication to their possessions or pastimes than for God. They have invested more in them.

Do you find yourself worshiping less and griping more? Perhaps you have too little invested. Money is not the problem. It is only an indicator of a selfish heart. Give yourself fully to God and worship Him. See if you don't enjoy being in the presence of God more (Matthew 18:20).
