Why We Misunderstand the Bible
What is the Difference Between the Testaments?

One reason for many misunderstandings that exist among Bible believers is that one or both parties fail to recognize the difference between the Old and New Testaments.

The New Testament clearly teaches that the Old Testament was nailed to the cross (Colossians 2:14), was flawed (Hebrews 8:7), was obsolete (Hebrews 8:13), was taken away so that the new law could be established (Hebrews 10:9), was a schoolmaster to bring us to Christ, and is abolished now that faith is come (Galatians 3:24,25).

Suppose one were to look in old lawbooks and find the first driver's license law. Armed with that information, she might march into a government office, lay fifty cents on the counter, and demand a driver's license. No further fees or testing required because of law number 437423, paragraph 7, section 3. Would anyone expect to receive a license based on that old law?

Just as that law may have been perfectly valid in its time, so the Old Testament was inspired of God and was perfectly valid as God's law for Israel. That does not mean it applies to Christians today. Yet it is commonplace for some to justify practices today with the Old Testament. Concepts such as burning candles or lamps as worship, offering incense, a separate priesthood, instrumental music in worship and even tithing are drawn from the Old Testament without any New Testament authority.

It is no wonder it is difficult to see the Bible alike when we do not "rightly divide" the word of truth (2 Timothy 2:15).

Ted talks...

Ok, the next several weeks are going to be getting busy. We have very many occasions to serve, fellowship and teach, so let's put our plans together and take part.

Darla will be putting things in hand-outs and in the rolling announcements concerning activities that are ahead. We are going back a bit to our past, and will be taking our world back from illness and Satan's antics.

A great man once wrote in a letter to the church in Philippi, in Philippians 4:13, that, "we can do all things through Christ, who strengthens us." That verse, of course, was pluralized in paraphrasing, because I feel it's going to be a group effort.

Darla and the staff will be doing their very best to communicate, in advance, the near-future, events. Please, pay close attention to our future and plan to do what you can to make all events successful and bring glory to God.

The love we all have for God and for each other can be shown to the world, and just maybe the world will ask us from whence our joy and hope come.
